Re: Petition to the Director to Reinstate Application # 09/848,670 under 37CFR 1.181

Dear Sir/Madam:

I would like to state the following facts for your kind consideration:

I filed a utility Patent Application number 09/848,670 with filing date of May 04, 2001. I moved to a new location and faxed a Change of Correspondence Address Form on July 17th, 2004. I received the Auto-Reply Transmission confirming that my change of address form was received. In the first week of January 2005, I happened to access the PAIR website, which I was not aware of that before, and realized that a Non-Final Rejection correspondence was mailed to my old address on September 08th, 2004. The mail was returned to USPTO as undeliverable on October 05, 2004.

I contacted the primary examiner, Courtney Fields, and told her that the mail was sent to my old address in October 2004 even though I submitted the change of address form earlier on July of 2004. She advised me to resubmit a new change of Address Form which I submitted again on January 06, 2005.

On April 3rd, 2005, I sent my "Applicant's Arguments and Remarks" within the permitted period of three month to respond to the Non-Final Action. I was hoping to get a review of my application when I got the notice in the mail stating that my Application was being abandoned stating the reasons that I failed to reply in the timely manner to the Non-Final Rejection Office Action mailed to me on October to my old address and which I never received.

As I stated earlier that I indeed faxed the change of Address Form on July 17, 2004 and I received a confirmation for that fax as well. Please attach find the copy of the Change of Address Form along with the confirmation receipt of that fax which I received from the USPTO.

In the light of the above stated facts, I would like to request you to reinstate my Patent Application for its further evaluation on its merits in the timely manner. I will appreciate your help in this matter.

Regards,

Shakeel Mustafa
